

1 Kanmon Strait Museum

The facility was designed to resemble a luxury cruise ship, with the concept of "an experiential museum where you can enjoy the Kanmon Strait in its entirety." From the observation deck and promenade deck, you can relax while enjoying the magnificent view of the Kanmon Strait. In the Strait Atrium, you can enjoy and learn about the nature and history of the Kanmon Strait through dynamic images and interactive productions on one of the largest giant screens in Japan.
